SESHA Chapters

SESHA has several local chapters that meet regularly, providing technical information, networking, and other member benefits. Some of these local chapters have annual mini-conferences. Local Chapter information (including contact names, phone numbers and email addresses) can be found at www.seshaonline.org. Please join and participate in your local SESH A Chapter!

Join one of the following local chapters by marking the box on the Membership Application:

- New England
- Mid-Atlantic
- Rocky Mountain
- Texas Hill Country
- Arizona
- Southern California
- Northern California
- North Texas
- Twin Cities

**Semiconductor Environmental,
Safety & Health Association**

Please sign-up at sessaonline.org today.

SESHA is the premier Environmental, Safety & Health association serving the global semiconductor and associated technology industries. We provide value to our members through education and professional development. Membership in SESH A provides the following benefits to you:

- Network with your industry peers, leaders, and suppliers at local chapter and national events.
- Discounts on postings to the SESH A Career Center.
- Obtain discounts for professional development opportunities at regional mini-conferences and the annual international symposium.
- Receive full access to our vastly expanded SESH A web portal (www.sessaonline.org) including “members only” features such as:
 - Access to search & download past symposium and mini-conference proceedings,
 - Access to the SESH A online membership directory,
 - Access to our journal and library of past articles, and much more!

Mission Statement

SESHA is the Premier Environmental, Safety and Health Association serving the global semiconductor and associated technology industries. We provide value to our members through education and professional development.
